

MEET THE TEACHER

Mrs. Miller

Hey! My name is Mrs. Laura Miller. I am a 3rd grade teacher here at Richlands Elementary School. I have been teaching third grade at RES since 2010. One of my leadership roles at RES is mentoring beginning teachers. I have also served as a partnership teacher with UNCW and ECU hosting interns. I love being part of the Bobcat family and I love teaching third grade! RES is a great school with caring staff and awesome students. There are great things happening here. Together I am excited to help make this the best school year for your child!

About Me

I was born and raised in eastern North Carolina. I am married to my best friend, my husband, Matthew. We have one fur baby, Mylee. I am a twin. Away from teaching, I love spoiling my five nieces and nephew. They keep me busy! I enjoy spending time with my family and friends, serving the community through community outreach programs at our church, and collecting Rae Dunn Pottery. I also enjoy digital designing on my computer, crafting, taking cookie decorating classes, exploring teacher Instagrams, being outdoors, gardening, planting/caring for flowers, all things farmhouse and riding the golf cart with my husband and fur baby.
