Advanced Math Syllabus

Teacher: Crystal Jones

Room Number: 312

Course Description: This course compacts the seventh-grade NC State Standards with a substantial part of the eighth-grade math course using the Ready curriculum and the iReady program. Seventh grade focuses on: The Number System, Expressions and Equations, Statistics and Probability, Geometry, Ratios and Proportions. Eighth grade topics include: Irrational Numbers, Linear Equations, Multistep Equations, Square and Cube Root, Scientific Notation, Standard Form, Exponents, and the Pythagorean Theorem.

Grading Policy

Formal
