

Meet the Teacher

The Basics

Hello parents! My name is Mrs. Samantha Dingwall and I will be your child's teacher for the 2023-24 school year. I have fallen in love with teaching. One of my passions is teaching students how to read. Watching students learn to read and enjoy reading is such an incredible journey. I work hard to communicate effectively with parents. I believe when the teacher teams up in a positive way with the parents, students can achieve so much both academically and socially. I am looking forward to working with you all!

My Family

I am originally from Tennessee. We moved to North Carolina in 2020 and recently finished building what we hope to be our forever home. We have 4 children. Kael is a Senior at White Oak High School. Grant is a 9th grade student at White Oak High School. Lucas is a 6th grade student at Hunters Creek Middle School. Here at Silverdale, I have Alivia who is a 5th grade student. I have been married to my husband, Chris, for 19 years. We are enjoying our life here in North Carolina!

My Education

I graduated with my bachelor's degree in Elementary Education in 2019 and my master's degree in Curriculum and Instruction in 2022.

This is my 4th school year at Silverdale Elementary.
