April 29- Teacher Workday (No School)

Learning Menu:

During our CKLA Skills block we have started a new unit. This unit is devoted to introducing spelling alternatives for vowel sounds. *Sir Gus* is a fictional Reader detailing the serendipitous undertakings of Sir Gus, one of King Alfred's knights. Despite his title as "Sir Gus the Fearless," Sir Gus actually has many different fears. Weekly spelling lists and assessments continue in this unit. **Students will have a list of words in their homework pocket on Monday and will have a test on Friday.** The purpose of having weekly spelling words is to help students become strong spellers and allow them to practice at home the skills learned during Core Knowledge Language Arts. The spelling words come from stories your student reads in class. You will also find that your child will be giving a choice board to practice with each evening. In our second reading block, students will be working on applying various taught reading skills to text that we will be working on. In science, we will be returning to our work with weather and learning about weather instruments. In math we will be working on applying previously learned strategies to solve 3 digit subtraction problems.

In the pursuit of excellence, there is no finish line!!
Go Eagles!!!

Reminders:

- Please make sure you have set up an account to pay your child's school fees online. <https://www.onslow.k12.nc.us/schoolcash>
- **Student laptops must be charged nightly.**
- Please remember to provide all needed materials for lunchbox friends (spoons, forks, napkins, etc)
- School Lunch Menus can change on a daily basis due to not receiving items. Please be understanding!
- **Students MUST bring a water bottle to school and a charged laptop DAILY.**
