

MEET YOUR TEACHER!

WELCOME!

As summer comes to an end, your last year of elementary school begins! I am so excited to have you in my fifth- grade class this year! Let's make this year your best!

**WELCOME BACK
TO SCHOOL**

A BIT ABOUT ME

I was raised in Louisiana and graduated from Southeastern Louisiana University with a BA in Elementary Education. I have been teaching fifth grade for the last seven years. I have earned an add-on certificate in elementary mathematics through ECU and am currently pursuing my master's degree.

I'm married to a Marine and we have five children ranging in age from 14 to 2 year old twins. A few of my favorite things are LSU football, coffee, Autumn, sushi, road trips, and hiking.

GRADING POLICY

Missing and Late Work: Students will be able to turn in assignments late up to *one week* after the assignment has been uploaded in Power School.

Grades: Students will be able to make corrections to any assignment below a 70% and will receive the average of the two assignments combined.

Projects: Occasionally students will have projects to complete. These assignments will be counted twice in the grade book. Rubrics will accompany projects.

MEET YOUR TEACHER!

ENRICHMENT

Day 1 Music

Day 2 PE

Day 3 Global Lab

Day 4 Media/Computers

Day 5 Art

HOMEWORK POLICY

Weekly math homework will be given and will be graded for completion, not accuracy. If students do not complete in class assignments, they are to be completed at home the same day and returned the following day.

Occasionally, science homework or projects may be given.

Late Work: Students will be able to turn in assignments late up to *one week* after the assignment has been loaded in Power School.
