+Art Supplies	\$1.00
+ Laptop Fee	\$25.00
<b>Total</b>	<b>\$31.00</b>

## New Language Arts Instruction

Teaching students to read and write is a complex process. The Onslow County School System has adopted a new language arts program called **CKLA**. **CKLA stands for Core Knowledge Language Arts.** It is rooted in the Science of Reading and integrates science and social studies. This program is also strongly aligned with the state's required 1<sup>st</sup> grade reading assessments. You may notice that the reading, phonics and writing instruction looks different than what your child experienced last year. While this research-based program is new to Onslow County, it is not brand new. If you ever have questions about this program or any instructional resources, please do not hesitate to ask!

## Daily Take Home Folder

The yellow "Take Home Folder" will have...

- Important papers from the school
- Monthly class newsletters
- Homework & incomplete classwork
- Behavior log--students will track daily behavior
- ...and so much more!

This is also where you can send in...

- Money/checks
- School paperwork/field trip forms
- Any notes needing to come to school

**Please check this folder daily 😊**

## Homework

In an effort to reinforce the learning that takes place at school, as well as to bridge the home/school connection, I ask that you read with your child for 15-20 minutes each night. If you would like books sent home with your child, please let me know, and I would be glad to do so!

Math and CKLA Skills homework will be sent home as needed for practice.

Continuous practice of high frequency words and addition/subtraction facts is always recommended. Fluency of words and fact knowledge greatly aids reading and math.

Homework should never be a source of frustration in your home! Please communicate with me if difficulty occurs.

## Behavior

A color-coded leadership clip chart (see below) is used to track daily behavior. All students begin each day on green and may move their clip up and down based on their behavior choices. Each student's color will be recorded in their Take Home Folder. Behavior communication may occur through ClassDojo, notes, emails or phone calls. While the clip chart is used, I focus more on students making good choices because it's the right thing to do versus "getting to move their clip up." As a result, most days students remain on green.

Purple– You're Awesome

Blue– Way to Go

Green– Read to Lead

Yellow– Slow Down

Orange– Don't Give Up

Red– Think About It

## Rewards/Consequences

Students will also be awarded or deducted points on ClassDojo at the end of the day based upon their color for the day. There will be an incentive at the end of each 9 weeks of school for those who demonstrate positive behavior and leadership. Any undesirable behaviors may result in parent contact, missed celebrations, and teacher/school-decided consequences.

**Please see Behavior Plan in orientation packet for detailed information.**
