

To fulfill the EPA Document 40 CFR Part 763.84 (d) of the Federal Register which states “**Ensure that short-term workers (telephone repair workers, utilities workers, exterminators, etc.) who may come in contact with asbestos in a school & are provided information regarding the locations of ACBM & suspected ACBM assumed to be ACM.**”

Onslow County Schools is providing you with locations of Asbestos Containing Building Materials (ACBM) in the specified sites. You as a contractor for Onslow County Schools are to ensure that you and/or your employees do not disturb any of these asbestos-containing materials. Any questions regarding this regulation or asbestos locations in Onslow County Schools, please contact Mr. Wayne Williams, the Local Education’s Agency’s Asbestos Designee at (910)455-2211.

By signing this document, I agree that the known locations of asbestos in schools where I may work have been identified for me. It is understood that I may contact Mr. Wayne Williams, the Asbestos Designee for Onslow County Schools should I have any questions.
