

Welcome to Kindergarten

Hello! I am your kindergarten teacher, Ms. Valdez. I am so delighted to have you in my class this year! This is going to be a unique year that will be full of lots of new things for both of us! I am so thrilled that I get to share them all with you! We are going to have so much fun together! I'm blessed to have you as part of my kindergarten family!

I'm so ready to get this year started and I can hardly wait to meet you on your first day! I'll see you in just a few short days!

Love,
Ms. Valdez
