

1st Grade -Rising 2nd Grade
Summer Remote Learning Opportunities

Directions: Utilize the links to access interactive tutorials or videos that will help your child practice concepts and will also introduce him/her to new concepts that will be explored in the upcoming school year. Some of the interactive tutorials are lengthy. So, you may choose to have your child view only one of those on the designated day.

Activity sheets are also available for students to practice the concepts. If you choose not to print out activity sheets, your child can draw, color and record responses on plain paper, by using the activity sheets as a guide.

Your child may also work in his/her pathway in iReady which was identified during the 2019-2020 school year. The login information is the same as what was used during the school year.

Day 2	Reading Comprehension	The students will be able to create mental images to deepen understanding.	Lesson 2	
	Reading Foundational Skills	<ul style="list-style-type: none"> • I can hear and identify rhyming words. • I can hear and connect words that rhyme. • I can build rhyming words using letter chains. 	Lesson 2 RF	Letters from day 1
	Math	<p>View one or both interactive tutorials. Complete Activity Sheets 3 & 4. Complete additional activities listed on a plain sheet of paper or on the back of one of the activity sheets completed.</p> <p>Learning Targets:</p> <ul style="list-style-type: none"> • Student will... <ul style="list-style-type: none"> ➤ identify number of tens and ones in 11 to 19 using pictures, number words, etc. ➤ explain the value of each digit in a two-digit number (place value). 	<p>Concept: Identify Teen Numbers (17 minutes)</p> <p>Concept: Identify Teen Numbers Practice (17 minutes)</p>	<p>Math Day 2</p> <ol style="list-style-type: none"> 1. How many ones are in the number 17? 2. How many tens are in the number 19? 3. Draw a picture, using squares, to represent 1 group of 10 and 6 ones. 4. Draw a picture, using circles, to represent 1 group of 10 and 5 ones. <p>What is the value of 1 in the number 14? What is the value of the 4?</p>
