

**2<sup>nd</sup> Grade – Rising 3<sup>rd</sup> Grade**  
**Summer Remote Learning Opportunities**

Directions: Utilize the links to access interactive tutorials or videos that will help your child practice concepts and will also introduce him/her to new concepts that will be explored in the upcoming school year. Some of the interactive tutorials are lengthy. So, you may choose to have your child view only one of those on the designated day.

Activity sheets are also available for students to practice the concepts. If you choose not to print out activity sheets, your child can draw, color and record responses on plain paper, by using the activity sheets as a guide.

Your child may also work in his/her pathway in iReady which was identified during the 2019-2020 school year. The login information is the same as what was used during the school year.

<b>Day 3</b>	<b>Reading Comprehension</b>	<b>I can use pictures and words in a text to compare and contrast two items</b>	<a href="#">Day 3 Lesson 3</a>	<a href="#">Day 2-4 Compare and Contrast Passages</a>
	<b>Reading Foundational Skills</b>	<ul style="list-style-type: none"> <li>I can sound out words using digraphs that contain the letter h.</li> </ul>	<a href="#">Day 3 H Digraphs</a>	Create a circle map for each of the h digraphs (ch, th, sh, wh)
	<b>Math</b>	<p>View both interactive tutorials. Complete Activity Sheets 10, 11 12 &amp; 13. Complete additional activities listed on a plain sheet of paper or on the back of one of the activity sheets completed.</p> <p>Learning Targets:</p> <ul style="list-style-type: none"> <li>Student will... <ul style="list-style-type: none"> <li>➤ use a model to solve one-step word problems.</li> <li>➤ review previous strategies to solve one-step word problems.</li> <li>➤ use number sentences to solve one-step word problems with two-digit numbers.</li> </ul> </li> </ul>	<p><a href="#">Concept: Add by Breaking Apart Two-Digit Numbers Practice (17 minutes)</a></p> <p><a href="#">Concept: Add Within 100 on Number Lines Practice (17 minutes)</a></p>	<p><a href="#">Activity Sheet Day 3</a></p> <ol style="list-style-type: none"> <li>Use strategies learned to solve the word problem. Sandy read 27 pages on Saturday. She read 23 more on Sunday. How many pages did she read over the weekend?</li> <li>Use strategies learned to solve the word problem. Ed had some chickens. His dad bought 60 more chickens. Now, Ed has 114 chickens. How many chickens did he have in the beginning?</li> </ol>
