

10th Grade—College & Career Exploration

Exploring College, Career, & Life

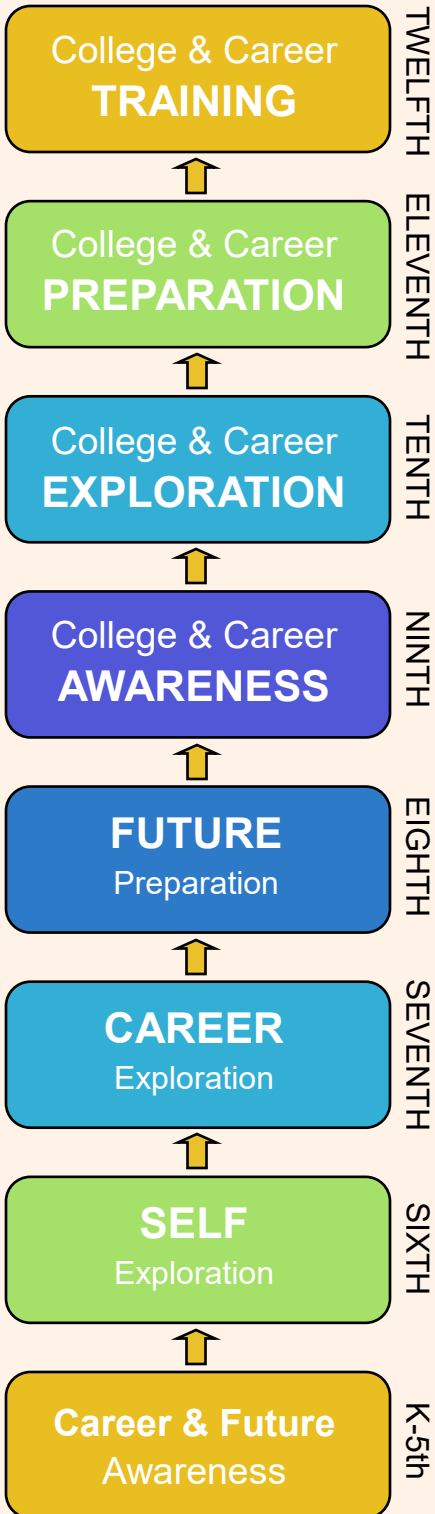

Students explore career options to provide motivation and inform decision-making in high school and post-secondary education. Students have the opportunity to explore and refine areas on interest in preparation for WBL experiences through interaction with business partners. Students will learn employability skills necessary for internships and apprenticeship opportunities.

Student Learning Outcomes

Students are able to give examples of how his/her strengths and interest relate to career and college planning.

..... **Experiences might include:**

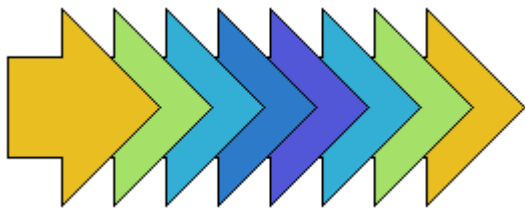

- Goal setting
- Course planning
- College planning
- Credential Opportunities
- Create Career goals
- Guest speakers
- School Career Fair
- CTSO competitions
- Professional Interviews
- School Clubs
- Career research
- Virtual tours
- CTSO membership
- Industry tours/Field Trips

Onslow County Schools is committed to providing guidance and insight on **Career, College, & Life Readiness Competencies** for our students through a variety of school activities as well as Major Clarity platform. The career development continuum outlines the opportunities students may have in relation to college and career exploration. Throughout the school year, students will participate in lessons focused on age appropriate topics that provide a foundation for students and families to make informed decisions in their planning as they matriculate through their educational career and beyond.

TENTH GRADE

Explanation of Major Clarity Activities

SET GOALS

Students will set academic and personal/social goals to begin setting themselves up for success throughout their middle school career.

Competencies: Transition & Academic Skills

MAJOR CLARITY

Students will be lead through the Major Clarity platform where they can explore and learn more about career and college opportunities.

Competencies: Transition & Academic Skills

ACHIEVEWORKS

Intelligences

AchieveWorks Intelligences assessment helps students recognize their unique intellect, boost confidence levels, strengthen both emotional and multiple intelligences, and explore personalized career recommendations.

Competencies: Academic Skills

CAREER EXPLORATION

Major Clarity offers career exploration through short career videos narrated by professionals in specific career fields.

Competencies: Career Knowledge, Interpersonal Skills

CLUSTER FINDER

The Career Cluster Finder is an inventory tool that will allow students to match their interests, strengths, and personal qualities with potential areas or clusters. Students will “favorite” three and research college and career paths.

Competencies: Career Knowledge, Transition Skills, Social Emotional Learning

COURSE PLANNER

Academic planning is a comprehensive course planner customized to the student’s programs of study. It also tracks class and graduation requirements.

Competencies: Transition Skills

RESUME

Major Clarity assist students with developing a detailed list of experiences, accomplishments, and skills to create a resume that may put them ahead of the competition.

Competencies: Academic Skills

BRAG SHEET

The Brag Sheet allows students a way to track their responsibilities and accomplishments throughout their middle school career. The brag sheet will transition with them to high school where they can continue to build their future resume.

Competencies: Social Emotional Learning, Transition Skills, Interpersonal Skills

SCHOLARSHIP EXPLORATION

Major Clarity Financial Resources allows students the ability to explore scholarships available locally, statewide, and nationally.

Competencies: Transition Skills

GRADE LEVEL EXIT SURVEY

Allows students an opportunity to reflect upon their year and provide feedback to their counselors, teachers, and administration

Competencies: Transition & Academic Skills
