Dear Business Partners of Onslow County,

The High School Intern program within the Career and Technical Education Department at Onslow County Schools is currently seeking Business Partners eager to collaborate with us in offering Work-Based Learning Opportunities. We welcome partners willing to host one or two interns to register using the provided barcode below.

Work-based learning is an *instructional strategy* that provides students with a variety of experiences that are designed to bridge the gap between classroom instruction and the world of work.

WBL experiences provide students the opportunity to gain knowledge and develop employability skills leading to better informed career choices and readiness.

Work-based learning activities available to students in OCS:

- Apprenticeship,
- Business/ Industry Field Trips,
- Clinical Experience,
- Cooperative Education
- Internships,
- Job-Shadowing and,
- Mentorships.
