

5TH GRADE SCOOP

11/15/2020

Dear Families,

If you haven't already heard, the 3 Wednesdays in December have been switched from face-to-face days back to remote learning days.

Reminders:

-Progress reports go home on Tuesday, 11/17/2020. Please sign and return them by Friday 11/20/2020

-Next week, students will have school on Monday (11/23) and Tuesday (11/24) only (Wed-Fri: Thanksgiving Break)

-It is more important than ever that every student comes to class with their laptops charged. With having twice as many kids in the room and social distancing, it is very difficult to allow a student to move to another area in the room to charge their laptops.

-It is very important to set up a time each week for your child to pull up their grades on NCEdCloud and show you how hard they are working. If there are any missing assignments, it is very important that they are turned in within a week of the due date.

-Please help remind your child how important it is to come to school with all required materials. When they come to school without their notebooks or supplies it makes it more difficult to complete assignments.

Thanks,
5th Grade Team
