

5th Grade Scoop

11/8/2020

DEAR FAMILIES,

Last week was very successful having both cohorts back in person! We had lots of fun and the kids really liked see their friends!

Reminders:

-Wednesday, 11/11/2020, is a Holiday

-It is more important than ever that every student comes to class with their laptops charged. With having twice as many kids in the room and social distancing, it is very difficult to allow a student to move to another area in the room to charge their laptops.

-If you have not already signed and returned your child's report card cover, please do so as soon as possible.

-It is very important to set up a time each week for your child to pull up their grades on NCEdCloud and show you how hard they are working. If there are any missing assignments, it is very important that they are turned in within a week of the due date.

-Please help remind your child how important it is to come to school with all required materials. When they come to school without their notebooks or supplies it makes it more difficult to complete assignments

-Progress Reports go home on 11/17/2020

Thanks,
5th Grade Team
