

# 5th Grade Scoop

2/7/2021

## Dear Families,

I just want to take a minute and say thank you for all you do!! This year has been tough on everyone but you guys are raising some great kids :)

-Valentines: We will be having a small Valentines celebration on Feb. 12. Students may bring individually wrapped treats (from the store) to share with the class. They can also bring Valentine Cards if they wish.

-Progress reports go home on 2/18/2021

-Students will continue to come only 4 days a week until the end of March

-students are required to do at least 2 iready math lessons and 1 iready reading lesson each week. (students should not wait till Friday to start these lessons. Virtual days should be used to complete these, if they haven't already completed)

-Laptops that come to school consistently not charged, will remain at school and will no longer go home.

-Don't forget to set a time to check your child's grades weekly. Grades are always changing and it is important that they get work turned in, in a timely manner.

-If at any point, you would like to set up a conference, please do not hesitate to contact your student's teacher.
