Sponsor A Graduation Chair For \$60.00 With Your Personalized Engraving Plate On The Back

Jacksonville High School is hoping to purchase 500 chairs for graduation ceremony needs and we would love to have them in time for the Class of 2019 ceremony in June.

The engraved plates will be permanently affixed to the back of the chair which will be used by the JHS graduates for years to come.

You can personally make your donation in the JHS Main Office or mail your donation check along with the order form (found on the school website) or details for the engraving plate to:
