

# Meet the Teacher!

Ms. Lawson

## About Me

This is my 6th year as an Adaptive Teacher at Swansboro Middle School. I received my Bachelor's degree from Old Dominion University in Norfolk, VA, and my teaching certification from East Carolina University. I grew up in Virginia Beach, where my Dad retired from the U.S. Navy. The Marine Corps brought me to the Swansboro area. I have a son, 20, who attended Swansboro Elementary in 5th grade, Swansboro Middle, and Swansboro High School. He now attends NC State University, as a student-athlete. He plays football, so make sure to cheer on the Wolfpack! I spend my time outside of school enjoying the outdoors, spending time with my family, and loving on my beagle hound, Buddy.

## Welcome!

I am so excited to get to know my new adaptive friends this year! We have just 3 students in our class, so that allows for a lot of 1:1 support. Your student will attend both Art and PE as Encores. I have 2 Teacher Assistants, Mr. Corbell and Mrs. Patterson, who are fantastic and make a great team! Please reach out via email or phone with any questions that you may have. Communication is key! We look forward to having a wonderful year full of adventure!

## My Favorites:
