--	--	---

Due to the need to social distance and limit the number of students in the hall, lockers will not be available this year. School supplies should be limited to being maintained in the student's backpack. We will encourage students to have their own items and to NOT share with others.

Students will be asked to wear a face covering before entering the building and throughout the day. Students are free to wear their own if it is appropriate for the school setting. We will be practicing social distancing throughout any transition during the day.
