

# About Mrs. Crawford

I am elated to be teaching 3<sup>rd</sup> grade at Bell Fork Elementary this year! My husband and I just moved to Jacksonville all the way from Guam. We lived there for two years, where I taught 1<sup>st</sup> grade. It was an experience of a lifetime and we were able to see parts of the world we never dreamed of. I am excited to be back in the states and close to family. I grew up in Lancaster, SC where I met the man I would marry. We have a dog, Bella, who loves to run and play fetch. I've wanted to be a teacher since I was in 2<sup>nd</sup> grade. I was determined to learn everything about teaching and apply my passion every day in my classroom. I still have that passion today, entering my third year of teaching. I studied education at Winthrop University and learned more than I could have imagined about the profession. Being an educator is a never ending learning process. I learn right along with my students. My philosophy for teaching is to always provide a nurturing learning environment. I enjoy making my classroom a fun place to learn about academics, life, friendship, and family. My favorite things about 3<sup>rd</sup> grade are the multiplication challenges, reading stations, and learning about our history!

I like to retain an open line of communication with my students and their parents. The best way I have found to do that is through Class Dojo. However, I can also be reached through my email and classroom phone number. If you ever have any questions, comments, concerns, or simply want to say hello please don't hesitate to contact me through Class Dojo, email, phone, or written note.

I look forward to learning with you this year! Thank you for taking the time to learn about me!
