

Dear Parents,

Welcome to our online teaching platform! If you come across an issue and need assistance, please feel free to contact your child's teacher and we will work with you as best as we can to resolve it. You will find 4 weeks' worth of instructional material for your child. We wanted to make sure the material was available if needed. You will also find several pages that contain additional resources. All resources that are attached are completely free to use. If you are using a laptop you will be able to download the material and print if needed. If you are using a tablet/iPad the documents will not be able to be downloaded so you'll have to look at the material presented on the pages. Each day has all subject areas and the links you need to follow for the resources. Remember to login to Iready math and Reading eggs for 45 minutes each per week if accessible. Please remember to check in daily with your teacher for your child's attendance. You must check in by 9:00 a.m. to be counted as here. Your child will be marked tardy after 9:15 a.m. and absent past 9:30 a.m. Please remember to send your teacher photos of your child's work. We hope we've provided enough to help make this time as stress free as possible. Thank you for taking the time to work with your child at home.
