WELCOME

It is with great pleasure that we take this opportunity to welcome you to Trexler Middle School. We are extremely proud of the programs we offer our students, and we encourage you to make the most of your time with us.

This handbook has been developed to help you become familiar with many policies and procedures that allow us to provide a positive and productive educational atmosphere. In addition to this handbook, you will receive an Onslow County Schools Student Code of Conduct that covers student related board of education policies and school bus safety regulations. Please take a moment to familiarize yourself with both resources, sign the form on the last page, and give it to your Homeroom Teacher.

We look forward to this school year with great excitement and hope all our students will have a rewarding and successful year.

STUDENT SERVICES

PARENT MEETINGS AND CONSULTATION

Our staff and administration fully recognize the families of our students as integral components of the education system and appreciate your role as your child's best advocate. We are more than happy to meet with you to discuss questions or concerns, however, please understand that there will be days when doing so without a prearranged meeting will not be possible. To ensure the appropriate staff member is available to speak with you, please call the front office at 910-324-4414 and schedule an appointment.

SCHOOL COUNSELING

Trexler has school counselors to assist you with your needs. Students are encouraged to visit with the counselors for personal guidance and for information on grades, study skills help, and testing programs. School counselors are available to discuss any home, school, or social concerns that you may have as well. Conferences with counselors and/or teachers may be set up through the school counselor using the Microsoft Form and/or the school receptionist.

<https://forms.office.com/r/CLhkzdtzS>

SCHOOL SOCIAL WORKER

School social workers are shared among schools within the Onslow County school district and therefore he/she may not be in every day. Please speak to one of our counselors if you have a need, and we will contact the social worker for you.

School Social Workers are a valuable resource for the school, students, and their families. They are available to assist students with attendance, mental health concerns, and family/home/food needs. Use the Microsoft Form to schedule a time to speak with our social worker. <https://forms.office.com/r/CLhkzdtzS>

NURSE/MEDICATION

School nurses are shared among schools within the Onslow County school district and therefore a nurse may not be on campus every day. Students with medical needs should report to the front office and will be directed accordingly. Please turn in completed Emergency Medical forms to help us help your student in case of an emergency. If you take medication during the school day, the school receptionist can help you with the paperwork and other matters that need to be taken care of for your need. Students are not permitted to possess any drugs (over the counter or prescription) at any time at school.

The Onslow County Board of Education has identified procedures and guidelines pertaining to medication. Trexler Middle School staff are not allowed to administer medication or allow your child to self-medicate themselves unless proper paperwork has been completed by your physician, the parents, and the school nurse. When prescription medicines are to be taken during the school day, medicine should be in a labeled prescription bottle. Pharmacies are accustomed to providing two prescription bottles, one for home and one for school upon your request. Please see the secretary and/or the school nurse for more information concerning your child's medical needs. All medication is dispensed from the school office, however there are special circumstances, when approved by a physician and the school nurse with proper paperwork on file (i.e., certain asthma inhalers), in which students can carry medicine with them. **Students who bring medication to school and do not comply with these guidelines are subject to disciplinary action.**

The board of education requires all students to meet the eligibility requirements for school admission established by the State and the board, including immunization and health assessments. All students entering seventh grade or who have reached age 12, whichever comes first, are required to receive the following:

1. a booster dose of Tdap (tetanus, diphtheria, and pertussis vaccine), if they have not previously received it; and
2. the meningococcal conjugate vaccine (MCV).

TRANSPORTATION

Riding a school bus is a privilege, not a right. The Richlands area shares buses with neighboring schools that have coordinating school times. Each district is assigned a bus coordinator who oversees all scheduling, personnel, and maintenance for the buses. The bus coordinator assigned to Trexler is Tammie McDaniel. Feel free to contact Ms. McDaniel at **910.324.1034** for information or assistance on any of the above issues or concerns. School administrators will coordinate with the bus coordinator and drivers to ensure all student discipline matters are addressed. Routinely, bus suspensions are used as consequences for bus infractions; however, parents will be given an opportunity to help correct minor issues in lieu of bus suspensions for the first offense. In certain situations, out-of-school suspension may be assigned if needed. When a student needs to ride a different bus than the one assigned or get on or off the assigned bus at a different stop, he/she must have a note from his/her parents that must be approved by the school prior to the change. Repeated use of Onslow County bus transportation for transportation other than from school to home will not be allowed.

DISCIPLINE STANDARDS

In continuing efforts to maintain a school environment that is conducive to learning, all Trexler staff and students will continue practicing positive behavior incentives and intervention (**Falcon Flight**). Details about consequences for inappropriate behaviors are described below.

Trexler works to support and uphold all Onslow County Schools Board of Education policies. Board of Education members constantly seek to revise and add policies that help ensure a safe and civil environment that allows educators to provide a strong instructional program. For the most up-to-date information on board policies, please refer to the **Onslow County Schools 2023-24 Student Code of Conduct Including: Student Related Board of Education Expectations & Policies with School Bus Safety Regulations handbook** and/or visit <https://www.onslow.k12.nc.us/Page/14110> for a more detailed statement of student behavior expectations and violations.

CONSEQUENCES

Communication with parents regarding positive and inappropriate behaviors will be our primary action to encourage or discourage the behavior. We will utilize the resources or space to provide a variety of consequences and actions to help improve, correct, or ensure appropriate and safe behavior. Out-of-school suspension will be the consequence for inappropriate behaviors that are continuous or threaten the safety and health of others. In cases where suspension is deemed appropriate, students may be suspended for up to ten days. The severity of the offense, the past record of the student's behavior, the age of the student, and mitigating circumstances will be taken into consideration when making such decisions. In cases of repeated violations or in cases where the health, safety, or success of the student or of other students might be affected, expulsion or referral to the Onslow County Learning Center may result.

HIGHLIGHT OF A FEW DISCIPLINE POLICIES/CONSEQUENCES

General Statute 14-288.4 (a) (6), (6a) refers to how inappropriate student behavior may be considered disorderly conduct because of the disruption to the operation of public schools. One violation of this occurs if any person "disrupts, disturbs or interferes with the teaching of students at any public or private educational institution or engages in conduct which disturbs the peace, order or discipline at any public or private educational institution or on the grounds adjacent thereto." Another violation occurs if any person "engages in conduct which disturbs the peace, order, or discipline on any public school bus or public school activity bus." Incidents which are in violation of laws will be reported to law enforcement agencies and charges/petitions may be filed.

BULLYING AND HARASSMENT

We want all students to feel safe, happy, and welcome in the school environment. Bullying is repeated, planned, and done on purpose. The target wants the bully's behavior to stop, but the bully does not stop.

Students and parents are encouraged to report bullying by using the Bullying and Harassment Student Form, which can be found on the school's website. [Bullying Incident Reporting Form / Reporting Form for Students and Parents \(onslow.k12.nc.us\)](#)

If more information is needed, please refer to the Onslow County Schools Board of Education policy #1710/1720/4015/7225/7230 for the most recent information on this topic.

CAFETERIA/CHILD NUTRITION

Onslow County Schools provides nutritious breakfast and lunch meals designed to meet the USDA federal guidelines and nutrition standards for school meals. These guidelines limit the amount of fat, sodium, and sugar in meal selections and encourage increased consumption of fresh fruits, vegetables, whole grain products, and calcium rich foods. Well-balanced breakfasts and lunches contribute to the success in the classroom and students' academic performance. Menus are available local media and on the Onslow County Schools website located at <http://www.schoolnutritionandfitness.com/index.php?sid=1501179229405>.

Meal prices are \$1.25 for breakfast and \$2.50 for lunch. Supplemental a la carte items that meet the Smart Snack guidelines are available for additional purchase. Parents/Guardians may request restrictions for students with a written note sent to the cafeteria. No a la carte items will be charged. **Families are responsible for all meal costs for food eaten by the student until the new meal application has been approved and any charges accrued until that approval.** A parent/guardian may request a copy of their student's account purchases. For any information, contact the cafeteria manager at the school.

Payment for purchases in the cafeteria may be made by cash or check to the school cafeteria. Please do not send money to the school office. Other methods of payment are debit/credit card online at www.k12paymentcenter.com.

Meal applications for free or reduced meals can be found online at www.lunchapplication.com. This is the quickest method. **Only one application per household** should be completed. Return meal applications to the school cafeteria or the school nutrition central office. If you do not receive notification for **all (each individual child) students** in the household, please notify the school nutrition central office immediately.

Students who bring food and/or drink to school should consume them during their lunch period. No sharing of food/drink should occur. Energy drinks (Amp, Rockstar, Monster, Tilt, Joose, Sparks, and others not listed here) have increased in popularity and although the intent of the drinks may be positive, they are not permitted at school. On the other hand, thirst-quenching beverages such as Gatorade and PowerAde that do not have the characteristics of energy drinks are allowed.

Parents are also asked not to bring food for students. Staff will not be able to handle, store or share any food items during school hours.

LOCKERS Will not be used at this time.

CELL PHONE AND TELEPHONE USAGE

Students may bring their cell phones to school, but it must be powered down and not be seen during the academic day (unless given permission by a staff member). Cellphones are not to be used in the hallways, cafeteria, restrooms, or on school transportation.

Students will be allowed to get a pass to come to the office to use the school phone to handle their phone needs. All students should obtain permission and sign-out prior to leaving the classroom to proceed to the office for their phone needs. Please take care of logistical matters and other information at home prior to coming to school and reserve calling home during the day for emergency matters.

Cell phones are to be out of sight and powered down. A violation of this request will result in a student receiving cell phone detention. The phone will be powered off, locked up in a secure cabinet and the student will remain in detention until a parent/guardian comes to pick up the phone (Please remember the Office closes at 3:30 pm). After two cell phone detentions, the student will receive OSS for violation of the cell phone policy. A refusal to comply with the policy will result in OSS.

Ultimately, the parent/guardian is responsible for all information on student cell phones, and any investigation that leads to and/or requires search of information on a cell phone will be reported to law enforcement.

Cell phone use guidelines may also be found in the Onslow County Schools District Issued Device or Personally Owned Device Responsible Use Guidelines.

TECHNOLOGY

New technologies are shifting the ways that information may be accessed, communicated and transferred. These changes may also alter instruction and student learning. Onslow County Schools offer students access to the electronic information highway and the Internet. The Internet provides world-wide access to information, some of which is not suitable to the school setting. Onslow County school administrators, staff, parents and guardians must be responsible for setting and conveying the standards that must be followed when using media and information sources.

The Onslow County School District supports and respects the right of the parent or guardian to decide whether their student access the internet. In compliance with the Children's Internet Protection Act, Onslow County Schools has activated a monitoring and filtering system for Internet access.

Transmission through web resources of the following information is prohibited and shall result in loss of access privileges and may result in other disciplinary or legal action:

- Any material in violation of federal or state regulations including copyrighted or obscene materials;
- Commercial activities, product promotion, political or illegal activities.
- Inappropriate, threatening or abusive language or materials;
- Personal identification information such as the address or phone number of the user or any other individual; or
- Financial information such as credit card or bank account numbers.

After reading Onslow County Board of Education policy 3220, Internet in the Educational Program, and policies 3225/7320, Technology Responsible Use, parents and students must complete this form indicating agreement with the terms and conditions there in. This form must be returned to the school before access to the internet and online learning platforms may be granted. Incomplete forms shall not be accepted. This document reflects the entire agreement and understanding of all parties.

ATHLETICS

7th and 8th graders are eligible to participate in Onslow County's middle school athletic program if they meet eligibility guidelines listed below. Sports offered are as follows: football, softball, baseball, boys' and girls' basketball, boys' and girls' soccer, volleyball, track, and wrestling.

A student/athlete must be in the seventh or eighth grade and meet local and state promotion guidelines. If an athlete is "academically eligible" or "academically ineligible" at the beginning of any semester, that status is retained throughout the full semester. A student/athlete has four semesters of athletic eligibility once he/she first enters the seventh grade. Academic requirements for fall semester sports are based on his/her previous semester grades. Spring semester academic requirements are based on the fall semester grades for the current school year. Specifically, students must earn a passing grade in a minimum of three core classes (ELA, math, science, social studies) and one Encore class based on the previous semester's grades. It is the responsibility of the school principal to check the academic status of each student/athlete enrolled in school at the beginning of a semester.

Students will forfeit athletic eligibility when unlawful/unexcused absences, out-of-school suspensions, or any combination of unlawful/unexcused absences and out of-school suspensions during the previous semester exceed ten (10) days (any absences from the previous semester verified to be excused/lawful by the student's school by the last day of that semester will not be considered). No process will exist to request a waiver of unexcused/unlawful absences or out-of-school suspensions. (any notes excusing absences MUST BE submitted to the school by the last school day of the semester. No notes to excuse absences for athletic eligibility purposes can be submitted after the last day of the semester during which the absence occurred)

Each school retains the right to impose higher academic standards for its athletes.

ATHLETIC DISCIPLINE GUIDELINES:

- A coach has the authority to impose discipline consequences for misbehaviors of student athletes.
- Team members who are absent from school on the day of the game will not play unless the absence is excused and arrangements are made with the coach in advance.
- A note from the parent/guardian must be given to the head coach prior to the team leaving for an event if a student needs to ride home with someone other than the parent/guardian from the event.
- Students serving ISS or OSS will not be allowed to play or practice while serving ISS or OSS. This includes the last day of ISS or OSS. Students who receive ISS or OSS more than once during a season will be suspended from the team for the remainder of the season.
- Students serving OSS are not allowed on any Onslow County School campus during the dates of the suspension.
- Students who receive multiple suspensions will not be allowed to participate in athletics.
- All practices are closed to visitors unless the coach has given prior permission to attend the practice.

Students and parents are required to sign a sportsmanship pledge before you will be allowed to participate in athletics.

DRESS CODE

The purpose of the Trexler Middle School dress code is to help maintain an atmosphere conducive to learning and free of distractions. Teachers will identify students in need of becoming compliant with Trexler's dress code and will send them to the office to make contact with their parents. The following dress code will be adhered to:

- Shirts and blouses that expose the midriff (stomach) are not permitted. Tank tops, halter tops, strapless tops or any top that exposes undergarments are also prohibited.
- Shorts or skirts are acceptable dress if the length is not revealing. A general rule to follow would be for shorts or skirts to be no shorter than midthigh. Skirts/shorts/dresses worn with leggings are held to the same standards as referenced above. Leggings, jeggings, or yoga pants may only be worn if shirts/sweaters meet the midthigh lengths rule. Any holes in jeans/pants above the midthigh must be completely covered.

- Clothing that is representative of gang affiliation, promotes alcohol, tobacco, illegal substances, contains sexually inappropriate language, and profanity is not permitted at school or any school sponsored event. This includes any article of clothing, badge, sign, lettering, hairstyle, pant roll-up or personal adornment, which is intended by the student or is recognized or acknowledged by students/staff/parents/ and community to designate a gang symbol or to signify affiliation with, participation in, or approval of a gang.
- Baggy pants or shorts that establish a belt line below the hipbone or show underwear while the student is walking or sitting is not allowed. If needed, students will be provided a makeshift belt to help secure their pants to the appropriate waistline.

- Loungewear/pajamas should not be worn at school.
- Distracting clothing and/or accessories that may be disruptive to the educational environment should not be worn at school.
- Student participating in PE must adhere to the dress code policy and wear appropriate athletic footwear.

****Students in need of a change of clothes in order to be in compliance with the dress code will have an alternate setting until a change of clothing is obtained.**

VISITORS/VOLUNTEERS

All visitors must report to the office to sign in and retrieve a visitor's pass. Parents of Trexler Middle School students are welcome to come and observe in their child's classroom at any time. Please understand that when you are observing, this is not an appropriate time to conference with the teacher. If you would like to conference with any of your child's teachers, please schedule an appointment with the teachers.

If you are interested in volunteering, we encourage coordinating your efforts with a teacher, media specialist, office staff, or administration. Many choose to volunteer by tutoring, proctoring, taking field trips, etc. The PTO (Parent-Teacher-Organization) always needs volunteers and would love to have your assistance. Volunteers who are in direct contact and/or interaction with students must be approved by the Onslow County School Board of Education and must follow all established requirements such as being fingerprinted.

ATTENDANCE

Attendance in school and participation in class are an integral part of academic achievement and the teaching-learning process. Regular attendance develops patterns of behavior essential to professional and personal success in life. Regular attendance by every student is mandatory: The State of North Carolina (*G.S. 115C-378*) requires that every child in the State between the ages of seven (or younger if enrolled) and 16 years attend school. Parents or legal guardians have the responsibility for ensuring that students attend school on In-Person days and participate on remote instructional days. Any parent, guardian, or other person violating the provisions of the Compulsory Attendance Law is guilty of a class 1 misdemeanor. (*G.S. 115C-380*).

A. ATTENDANCE RECORDS

School officials will keep an accurate record of attendance, including accurate attendance records in each class. Attendance records will be used to enforce the Compulsory Attendance Law of North Carolina.

B. LAWFUL ABSENCES

When a student must miss school, a written note of explanation for the absence signed by a parent or guardian should be presented to the Data Manager within 5 days after returning from the absence. An absence may be lawful for the following reasons:

1. Personal illness or injury which makes the student physically unable to attend school;
2. Isolation ordered by the State Board of Health;
3. Death in the immediate family;

4. A medical or dental appointment
5. Participation under subpoena as a witness in a court or administrative proceeding;
6. A minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent(s) with prior approval by the principal;
7. Participation in a valid educational opportunity, such as travel, with prior approval by the principal. Five days prior to the absences, the parent or legal guardian must present to the school principal a written statement requesting the absences be lawful. The principal shall use his/her discretion on the reasonable number of days the student may be excused from school; or
8. Absence due to pregnancy and related conditions or parenting, when medically necessary.

In addition, a student whose parent or legal guardian (a) is an active duty member of the uniformed services as defined by policy 4050, Children of Military Families, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting will be granted additional absences at the discretion of the Superintendent or designee to visit with his or her parent or legal guardian. Five days prior to the absences, the parent or legal guardian must present to the school principal a written statement requesting the absences be lawful. The principal shall use his/her discretion on the reasonable number of days the student may be excused from school.

Extended illnesses generally require a statement from a physician.

In the case of lawful absences and out of school suspensions, the student will be permitted to make up his or her work. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

C. UNLAWFUL ABSENCES

A student's absence from school for any reason other than those listed under "Lawful Absences" will be considered unlawful.

D. SCHOOL-RELATED ACTIVITIES

All classroom activities are important and difficult, if not impossible, to replace if missed. It is the intention of the OCS Board of Education that classes missed be kept to an absolute minimum through close scrutiny and a monitoring system on the part of the principal. The following school-related activities will not be counted as absences from either class or school:

1. Field trips sponsored by the school;
2. School-initiated and scheduled activities;
3. Athletic events requiring early dismissal from school;
4. In-school suspension; or
5. Job shadows and other work-based learning opportunities and Career and Technical Education student organization activities approved in advance by the principal.

Assignments missed for these reasons will be completed by students. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

E. ATTENDANCE IN GRADES K-8

1. Students with more than 20 absences (10 within the first ninety days and 10 within the last ninety days) in a school year shall not be promoted to the next grade except by determination of the principal/designee upon careful review of the student's records.
2. When total absences (lawful and unlawful) exceed 10 days per semester, further documentation will be required (doctor's statement, court documentation, etc.).
3. Make up work shall be assigned by the student's teacher as deemed appropriate. All make up work shall be completed within a reasonable amount of time as determined by the child's teacher.
4. Schools shall offer incentives to provide recognition of perfect attendance.

5. Students are expected to be in attendance to and participate in instruction throughout the school day. Excessive tardies and early checkouts will be referred to the appropriate authorities and may also be considered by the principal when making a promotion determination.

G. EXCESSIVE ABSENCES

Class attendance and participation are critical elements of the educational process and may be taken into account in assessing academic achievement.

The principal will notify parents and take all other steps required by G.S. 115C-378 for excessive absences. Students may be suspended for up to two days for truancy. When a student has accumulated ten (10) unexcused absences, the principal will conduct an investigation to determine if the parent or guardian has made a good faith effort to comply with the law. Dependent upon the outcome of the investigation, the principal may notify the District Attorney and the Director of Social Services.

SIGNING IN/OUT

All students who enter the school late (after 7:30 am) must sign in at the front office. Students who need to be checked out must be signed out by a parent or authorized adult in the school office. Please help us maintain a strong instructional environment by allowing students to complete their school day by arriving and departing on time.

PERFECT ATTENDANCE

Unless superseded by the Onslow County Board of Education Policy, Perfect Attendance certificates will be issued only to those students who have been in school every minute of every day. Students may not check out early or sign in late to be eligible for perfect attendance.

GRADES

GRADING SCALE

- A: 90-100
- B: 80-89
- C: 70-79
- D: 60-69
- F: < 59

HONOR ROLL/PRINCIPAL'S LIST

Any student who has a nine weeks grade average of 90 or higher with no grade below 90 will be placed on the Principal's List. Students with a nine weeks grade average of 80 to 89 and no grade below 80 will be placed on the Honor Roll. The purpose of these honor systems is to recognize students who have demonstrated quality achievement and to encourage others to strive for excellence.

NOTIFICATION OF GRADES

The Onslow County Board of Education has established dates throughout the school year in which all students will receive interim reports and report cards. Although these dates vary from year to year, they are scheduled so you are notified at least every 3 weeks of your child's progress. These reports should be signed and returned to your child's teacher. Additionally, parents can sign up for real-time access to their student's grades through Parent Portal. Registration forms are located on the Onslow County and Trexler Middle websites and paper copies can be picked up in the front office. Parents who wish to gain access to Parent Portal should turn the completed form in with a copy of their photo ID to the front office. The school year passes quickly, so if you have questions or concerns, please contact your child's teachers immediately, especially if they have any failing grades.

CHEATING

Incidents of cheating will be handled at the teacher's discretion. Anyone caught cheating may receive a zero, be required to serve after school detention, or another school approved discipline consequence.

PROMOTION STANDARDS

Refer to STUDENT PROGRESSION AND PLACEMENT Policy Code: 3420.

SCHOOL FEES

The Onslow County Board of Education has passed a policy concerning the payment of school fees. Parents and students who wish to have school fees waived because of indigence must make a written request to the principal by the twentieth day of enrollment on a form supplied by the school. The policy states that the school may require “whatever documentation from the parents necessary to support the parents’ requests for fee waiver.”

All students who do not have an approved fee waiver need to pay their fees by the end of the first week of school. As follows is a list of possible fees that your child may need to pay:

- 1:1 Technology Usage Assessment/Fee - \$25.00
- Art- \$3.50
- Vocal Music-
 - Semester: \$2.50
 - Year Long: \$5.00
- Instrumental Music:
 - Semester (Guitar, Piano): \$5.00
 - Year Long (Band, Orchestra): \$10.00

Middle school students will be part of a 1:1 student to laptop computer initiative in which students will be issued a laptop computer for the school year. In order to help sustain the technology investment being made by our district, the Onslow County School System will implement a technology usage assessment of \$25 for the school year. This fee will help assist the district with costs associated with supporting the devices, as well as any accidental damages. The usage assessment does not cover theft, non-accidental damage, or loss while off school campus. Hardship waivers will be available for families requiring assistance with this nominal charge.

*Parents are encouraged to pay their child’s school fees online at <https://www.onslow.k12.nc.us/schoolcash>.
