Dear Parent or Guardian:

This letter is intended to inform you that your student will take districtwide and state-mandated tests this school year as reflected on the attached test calendar, which is also posted online at <https://www.onslow.k12.nc.us/domain/12350>.

Per 16 N.C. Admin Code 06D .0307–Test Administration in Public Schools, “(g) LEAs shall, at the beginning of each school year, provide information to students and parents or guardians advising them of the districtwide and state-mandated tests that students will be required to take during that school year. In addition, LEAs shall advise students and parents or guardians of the dates the tests will be administered and how the results from the tests will be used. Also, information provided to parents shall include whether the State Board of Education or the local board of education requires the test(s). (h) LEAs shall report scores resulting from the administration of State-mandated tests from the Annual Testing Program to students and parents or guardians no later than 30 days after the test is administered and along with available score interpretation information within 30 days from receipt of the scores and interpretive documentation from the NCDPI.”

16 N.C. Admin. Code 06G .0315 requires all public-school students in membership (i.e., enrolled in a school) in grades 3 through 8 and high school courses requiring an end-of-course assessment, to participate in the Annual Testing Program. North Carolina does not allow any student to opt out of required state testing. The only exceptions granted are for a limited number of students who meet certain eligibility requirements or have extenuating circumstances primarily related to a significant medical emergency or condition and are unable to participate in a specific test administration.

16 N.C. Admin Code 06D .0309 requires schools to use end-of-course tests as “at minimum of twenty percent of the student’s final grade for each respective course.” As such, a student’s grade for these courses and overall grade-point-average calculation may be negatively impacted by not taking the required end-of-course state tests. Schools have the flexibility to use end-of-grade test scores as necessary.

Sincerely,

Michelle Padgett
NBMS Principal

Individual Student Reports (ISR) of your student’s state assessment scores (NC Check-ins, EOGs, etc.) are available in PowerSchool. To view electronic copies of the ISR, log into PowerSchool through a web browser. Once on the website, click on State Test Reports in the left-hand menu bar. The ISR is not viewable on the PowerSchool app. In addition, parents may view their student’s grades and attendance through the PowerSchool Parent Portal.

For more information about accessing the PowerSchool Parent Portal, please contact Mrs. Knight, our data manager, at (910) 346-5144.
