ONSLow
COUNTY
SCHOOLS

Superintendent
Barry D. Collins, Ed.D.

September 26, 2023

Dear Families,

Onslow County Schools values partnerships with our military neighbors. An effective relationship between the school system and those who serve, work, and live aboard Camp Lejeune and New River Air Station is essential to the successful education of their children. Fostering and maintaining that relationship is of the utmost importance to all of us at Onslow County Schools.

Waterfall housing is available to families that are not active-duty military but live on base. These students will likely attend school in Onslow County as they are not eligible to register with Camp Lejeune schools. Students living in waterfall housing will be assigned to the following schools:

- McCutcheon Manor (New River) – Blue Creek Elementary, Southwest Middle, Southwest High
- Berkley Manor, Midway Park, Paradise Point, Tarawa Terrace 1 & 2 (Camp Lejeune) – Hunters Creek Elementary, Hunters Creek Middle, White Oak High

Onslow County Schools, in conjunction with the Camp Lejeune School District, is dedicated to making this process as easy as possible for children and parents. Students living in waterfall housing should apply to attend Onslow County Schools through the out-of-district application process. When submitting an out-of-district application, families will need to upload a Letter of Non-Eligibility along with a copy of their lease or Guest/Housing Letter. The process to request a Letter of Non-Eligibility includes emailing Ms. Margie Remocaldo at Margie.Remocaldo@dodea.edu a copy of the lease or Guest/Housing Letter as well as the completed DODEA Request for Release form. Please be aware that Onslow County Schools does not provide transportation for students living in military housing. Additionally, students approved through this process will attend Onslow County Schools tuition-free.

Please do not hesitate to contact Onslow County Schools for any further assistance.

Sincerely,

Cameron Custy
Student Services Director
