

ROOM 108
MS. LABELLE/MRS. SMITH
KINDERGARTEN
OPEN HOUSE!

ARRIVAL & DISMISSAL

The bell rings at 8:00 to begin our day and rings to end our day at 3:05. Afterschool and Carpool leave at 3:05. Walkers will leave at 3:15. The bell rings at 3:20 for bus dismissal. It may take us a few weeks to get down our new system, so we ask for your patience and understanding!

Always send in transportation changes via note and place in your child's P.I.R.A.T.E folder.

HOMework & FOLDERS

- To help with organization your child will be using our P.I.R.A.T.E folder.
- Take Home Folder this will contain completed work, notes from the office, and other miscellaneous things.
- Homework: Please review the pages nightly in the P.I.R.A.T.E folder. Additionally students will need to practice their sight words.
- Folders are turned in daily! All important notes should be placed in here.

COMMUNICATION & INVOLVEMENT

- Communication: Our class is on Remind! We will post information regarding things going on in our classroom! I will be sending home an occasional newsletter to keep you updated on what we are learning and any additional information we might need to exchange. I like to keep communication open and flowing! Please email me (carly.labelle@onslow.k12.nc.us) with any questions, comments, concerns, or any and all information you would like to share with me. My hours are from 7am-5pm. I will be sure to answer you within 48 hours. If it is urgent, please indicate so in the subject box. Thank you!

VIRTUAL LEARNING

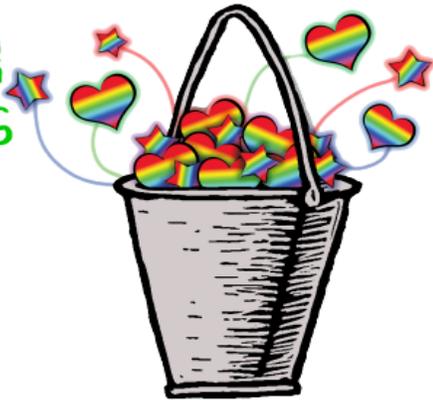

- Since students are spilt into cohorts your child will be responsible for some virtual assignments on the days they are not in school. These assignments will be posted in teams. We will be working a kindergarten team to create fun and engaging read alouds and activities for your child! They will have iReady Math and Reading lessons to complete on their iPads. They will be learning to use their iPads in class, and we post how-to videos to follow. Stay posted for more details!

LUNCH, SNACK, SPECIALS, & RECESS

- Lunch: Students will eat lunch every day in the classroom. Lunch's will be prepacked and brought to the classroom. If your child is picky or has allergies, I would suggest packing your child's lunch if possible for the first few days until you can look over the meals that will be provided.
- Snack: Since lunch is early in the day, we will be having snack in the afternoon. If you would like to donate snacks for any children in our class that many not bring one, we are allowed to accept proportioned individual snacks (goldfish, Cheez-its, granola bars).
- Specials: We have a special everyday in the classroom (Music, PE, Media/Guidance, Art, Harmony).
- Recess: Weather permitting, we will try to go outside at least once a day. Please be sure your child has the proper clothing to keep him/her comfortable. They will be socials distancing and wearing masks when necessary. Throughout the colder months they must have a coat, gloves and hat at all times. Be sure everything is labeled.

**BUCKET FILLING IS:
SHOWING KINDNESS &
RESPECT FOR OTHERS**

**BUCKET DIPPING IS:
BEING MEAN TO
OTHERS ON PURPOSE**

BEHAVIOR

- We are bucket fillers! Each student will have their own bucket to fill with pom-poms! Kind, respectful, and model behavior will earn pom-poms. If they fill their bucket at the end of the week, they get to pick from the treasure box! At the end of the week each child will dump their bucket into a classroom bucket to earn a reward! Any negative behavior will get three verbal warnings, then a break in the reflection chair, and a note home if necessary. I am all about positive reinforcement. If you have something you know your child will work hard for, we are always taking donations for our treasure box!
